

# Historic Brookville Farmers' and Artisans' Market at the new Town Square

We are excited to announce the addition of a Farmers' and Artisans' Market in Historic Brookville's new Town Square. This handmade, homemade, homegrown market will also be an evening of engagement and entertainment for everyone in our community to enjoy. Whether one is looking to grab some fresh veggies or artisan wares on their way home from work or looking to get the family out of the house for a fun evening, with the addition of your talents, this market will be that place. Please consider this opportunity to help all of us shine.

## Details:

Hosted by Historic Brookville, Inc with the support of CREATE Brookville, and other community organizations & individuals, this market will be held on the 1st and 3rd Fridays starting in June and lasting through October. Farmers and artisans are encouraged to offer their goods from 4pm-8pm. Questions? Please contact us at 814-271-7726.

The price to participate will be \$10/Friday or \$75 for the season.

We ask that only handmade, homemade or homegrown goods be offered. Each vendor will be responsible for their own table, and canopy for their assigned 10x10 area. Electricity can be made available if necessary.

## Food Vendors:

We are hoping this event will be a win for the downtown businesses, but we welcome food vendors to give the community options. Vendors will be allowed to participate for \$10/Friday or \$75 for the season. Each vendor will be responsible for their own table. Electricity can be made available if necessary.

## Entertainment:

We intend to fill the town square with music and other forms of entertainment between the hours of 6pm-8pm. Entertainment will always be family friendly for all to enjoy. Ideas are always welcome, so please don't hesitate to reach out.

## How do you participate?

A registration form and questionnaire has been included. Please take the time to share your thoughts and let us know if you are interested in taking part in this unique experience. Whoever you are, whatever you are into; we are all in this together.
